INTRODUCTION

Outline

Setup: Teams of 2-3. Nothing individual nor teams of four.

Paper Planning: Task order, Task solutions and music creation.

Team Member Jobs: Builder, Researcher & Explorer.

Which mode are we playing in? Survival..

Each week... We will have a new world to play in.

Each Week... We will have different modes: Single player, Dual and Triple.

Honesty: Allow other teams to discover and learn independently.

Support your team: We coach and guide teammates, not control.

Easter eggs: There are many Easter eggs in the game. Research!

The Princess Blankets

Key Questions

Do you have a team? Your team needs a name too!

Do you each have a job? You need a researcher, a builder and a coach.

Can you build? If not, don't worry, get a teammate to coach you.

Can you collaborate? Listen to your teammates and offer great ideas.

Do you know how to collaborate? Demanding your way is best, might get your idea put in last place!

Can you research? minecraft.gamepedia.com is the best starting point.

Can you use video to search? Don't sit through 5 minutes of video - Scrub through video in the timeline to find your spot. **Speed**!

Do you know about the UN Sustainable Development Goals?
If no, see the link to find out about the goals for environment (2, 6, 7, 11, 15)

Are you musical? Do you know simple songs such as Frère Jacques?

Can you farm or enchant in Minecraft? If not, how could you learn? Does your builder know, can they coach you?

Reverse image search. This is how you find the key to begin. This number is the order of tasks in the game chests. The train image has all the data. Go on, have a go, it's a bit of fun.

LI & SC

Contributor, I can contribute constructively to project teams

Connector, I connect with learners from a variety of backgrounds and cultures

Collaborator, I can use collaborative technologies to work with others to create solutions

Global Citizen, I can explore local and global issues and use collaborative technologies.

Global Citizen, I can learn with technologies to work with others and investigate solutions to problems.

Goals

Collaborate & Teamwork

The United Nations (U.N.) has a set of 17 goals that outline the needs of the environment throughout the world.

OPEN THIS cutt.ly/UN-17-Goals

They address the global challenges we face, including poverty, inequality, climate change, environmental degradation, peace and justice.
