GAME 4

Teamwork

Teamwork. It's important to stick to your roles in your team.

It's the same as before! Not quite! The look is similar, but the quest requires you to create a system for the breeding of animals (which is important for later tasks).

I don't play Minecraft, so I don't know how to breed animals. Well, how might you and your team get the sheep out of the hillside house? Could this be a clue?

Look in the chests. All the equipment you need is in the chests.

Colouring Wool: Dyeing the wool can be done in two ways. Which is the best and most convenient method?

Farming can be tough. Especially if your sheep go a wondering!

The Princess Blankets

Collaborate

Collaborate on this task - What can your researcher do?

Working together - this means doing the jobs for your team like the screenshots of your success and your notes on the

Stuck on solving the problem? minecraft.gamepedia.com to look up farming, wheat farming, sheep farming, shearing wool, fencing off areas for sheep, creating dyes, using a crafting table with the items below.

You have: Shovels, Hoes, shears, fences, bones (what do they create?), seeds, a bucket for water and on the land: flowers and a crafting table.

In the hillside house: some wheat, a bone and some sheep. Sheep like wheat!

LI & SC

Contributor, I can contribute constructively to project teams

Connector, I connect with learners from a variety of backgrounds and cultures

Collaborator, I can setup and learn within collaborative workspaces and worlds .

Collaborator, I can use collaborative technologies to work with others to create solutions

Global Citizen, I can explore local and global issues and use collaborative technologies.

Farming

What does a plant need to grow? Sunshine, water and maybe fertiliser.
What food do sheep like? Will they run to you if you have some food in your hand?
Have you ever seen ... red or blue sheep?
